

Letter from the president of Fairview to
our valued customers

*Your neighbor
may be our best
reference.*

A open reply to our customers in respect to “that’s not the way Ron did it when he ran the company” Listed are the things we have changed in the last year. Yes some prices have gone up and we couldn’t avoid it, but we’re now offering more value.

- ✔ We now offer senior citizen discounts
- ✔ We implemented buy 6 residential maintenances and get 1 free
- ✔ We’ve held the price for maintenance proposals for over 2 years
- ✔ Now all maintenance customers get the first pound of refrigerant free
- ✔ We now don’t charge overtime diagnostic fees
- ✔ We’ve held the price for service diagnostics
- ✔ We’ve held the prices on almost all repairs, even though some prices have gone up over 300% like “Freon”

We are here to serve every aspect of your Heating & Cooling needs.

"As a retired professional engineer, I was particularly impressed by your technician’s professionalism, knowledge, attention to detail, and the clean and efficient manner in which they approached the job."

Mr. A. Meyers

"It is clear to me that Fairview is not a rush and get it done company but a take the time to do it right and provide the customer with the best product company."

Mr. R. Scholz

"Reputation, convenience, and past track record with us is what made us choose Fairview."

Mrs. C. Kisiluk

"Best communication, most thorough bid"

Mr. J. Stewart

I would like to personally thank everyone that has voted us the “Best of Brentwood” for the last 5 years, and voted us #1 in the first annual “Best of Oakley” voting.
